How to win the dog race in simpsons tapped out

First thing to note is a detail from the What's New on the App Store. It says, "Plus, don't miss Treehouse of Horror XXIV in FOX, Sunday October 6th, for your chance to unlock a unique outfit for Homer." You can gain a few extra GOOs per Neighbor visit if you are quick on the Ghost Tapping!Bart: I think our house is haunted. Last night I heard ghostly moans and shrieks, and I saw a strange figure draped in chains. Homer: That was me wearing a chain of 50 sausage links. The shrieking was me later realizing I'd eaten them all. Lisa: As always, there's a perfectly logical although disturbing explanation. Homer: Yes. But there were also ghosts. Marge: What?! Our house really is haunted? We better call in a trained professional. Homer: We can't afford that. Let's go see an unlicensed quack.The Ghost in the Machine-based App Pt. 1 Build the Gypsy Fortune Teller Shop - 2000c - "Putting curses on Non-paying Customers": Every 60m Earns 35c, 3xp - 8x8 - 24hGypsy: So, you seek the old gypsy's help because you are troubled by ghosts. Gypsy: And yet when I ring your doorbell selling herbal supplements, it's "nobody home, gypsy." Marge: Please, just tell us why we're being haunted. Gypsy: The spirits are angry, and seek justice for wrongs done to them in their Earthly lives. And ghost justice involves possessing people - it's neat to see! Gypsy: I'll tell you how to get rid of them if you buy 10 jars of my house ginkgo blend. Homer: Nobody home, gypsy. Lisa: What if we were to just pop the ghosts. Then we could collect their "ghostly organofluid outflow", or GOO. Gypsy: Very smart, little girl. I foretell that in the future you will have trouble finding a date. How did you learn about GOO, anyway? Lisa: Google.Event InfoThe Ghost in the Machine-based App Pt. 2 Pop Ghosts and Collect their GOO - 0/10Homer: Man, I popped ten ghosts and they still keep coming. What is there, a ghost bubble machine somewhere? Marge: We'll get our friends to help pop ghosts, and make sure they get nice rewards. Maybe some pop-corn! "giggles" Homer: I get it. "Pop" cause you pop them, and "corn" cause that joke's corny.COMMUNITY EVENT INFO GIVENHomer: What is that? It's simultaneously cute and terrifying, like my daughter Maggie. Frink: It's a Gremlin, a creature so unsafe an American-made car was named after it. Frink: They're attracted by GOO like a senior citizen is drawn to pureed hamburger. Homer: Hey, do you think if I set this little guy free in the other Springfields it would steal me some of their GOO? Frink: Either that or make their school buses crash. Homer: Worth a try.Release Gremlins in your friends' towns to earn extra GOO and possibly destroy their school buses. NOTE: Before you can drop Gremlins and get GOO from your neighbors they must have started the event. Under their names in the friends list it will show how much GOO they have. If they have 0, it will be a normal visit. More than zero and you can smash ghosts, haunt their houses, and drop Gremlins.Ned Flanders Starts Ned: Homer, I hate to be a specter hector, but your ghosts are all over the Flanders homestead. Apu: And they're gumming up the Kwik-E-Mart worse than Squishee syrup gums up your intestines. Bart: Their otherworldly shrieks are so loud I can't hear my video game, "Ghost Scream III".Tap on haunted buildings to pop the ghosts inside!The Ghost in the Machine-based App Pt. 3 Remove Ghosts from Haunted Buildings - 0/3Marge: Homer, I'm sorry dinner's late but two poltergeists were playing keep-away with the pork chops. Homer: Then we must take drastic action... and see that annoying gypsy again.Homer Starts Gypsy: So, you return, just as I foresaw — when I saw you walking up on the security camera. Marge: Nice gypsy, we need to summon a spirit and ask why it is so angry. Gypsy: Very well! Hold hands in a circle while I enter my trance. Lisa: Look! Her eyes are rolled up in her head! Gypsy: (BABYLONIAN BABBLING) Lisa: "gasp" She's speaking in tongues! I wonder what she's saying. Homer: It better not be that she charges by the hour.The Ghost in the Machine-based App Pt. 4 Make Homer Listen to the Gypsy's Babbling - 24h, 10GOO, 150xpGypsy: Someone is here! Unquiet soul, what is your name? Maude: Maude Flanders. Homer: O unattractive and boring spirit, why are you angry at us? Maude: You killed me with a T-shirt cannon. Why do you think? Homer: The spirit speaks in riddles. Send it back and get another one.Maude is UNLOCKED! Maude: We have raised the an army of the dead to haunt Springfield until Homer makes each one of us a sacrifice. Bart: What, like giving up beer for 15 minutes? Cause that he can't do. Maude: I wish to possess Homer's body and spend one more day with my beloved Ned! Homer: Okay, but no taking my possessed body past first base.The Ghost in the Machine-based App Pt. 5 Make Maude Possess Homer - 12h, 5GOO, 100xp Make Homer Get Possessed by Maude - 12h, 5GOO, 100xp Make Ned Spend Time with Possessed Homer - 12h, 5GOO, 100xpNed: It was wonderful to spend time with you again Maude. Now that I've been away from them for a while, they kinda creep me out.Homer Starts Homer: Boy, you can tell housing prices have really shot up when people have to live inside giant vegetables. Lisa: According to the realtor's brochure, it's a fairy tale cottage. Although that could just be marketing hype. Homer: Nutmeg floors, cinnamon fixtures...mmm, edible floorplan!Pumpkin House Make Homer Attempt to Eat the Pumpkin House (1st 100 GOO Prize) - 24h, 600c, 150xpHomer: "burp" Pretty good, although that was a lot of vegetables. I'm ready for some meat. Lisa: Well, up the street there's a little old lady who's selling a shoe. Homer: Shooe leather... the poor man's beef jerky. Let's go!Homer Starts Marge: What are all these pesky Gremlins doing here? Shoo! Shoo! Homer: No, Marge. I brought them here. They love GOO, any GOO. So I'm going to have them clear our stuck drains.The Ghost in the Machine-based App Pt. 6 Make Homer Use Gremlins to Clean Drains - 24h, 600c, 150xpHomer: "moan" The gremlins cleaned out my drains, but then they ate my goosey cheese and chocolate pudding. Bart: On the other hand, a plumber would do the same thing and also charge you money.Homer Starts Grimes: Homer Simpson! It's is me, Frank Grimes... the only man to ever truly hate you. Homer: Grimsey ol' buddy! Great to see you, pal! How're you doing, amigo? Grimes: Poorly! I killed myself acting like an idiot. And the idiot I was acting like was you. Homer: Sounds like my best friend is looking to be appeased. Grimes: I want you to go to the power plant and tell everyone how I was always better than you.The Ghost in the Machine-based App Pt. 7 Reach level 11 and Build the Control Building Make Homer Praise Frank Grimes - 12h, 5GOO, 100xpLenny: No doubt about it, Frank Grimes was a great guy. Carl: But you know who's better? Homer. For saying such nice things about Frank. Grimes: Dammit!Apu Starts Apu: These ghosts are driving me crazy. They look into the future and tell everyone tomorrow's winning scratcher numbers. Apu: I'm going to reincarnate them as birds. Let's see what it sounds like when doves cry! Ned: I'm going to sprinkle holy water on them. Frink: I'm going to argue them away by pointing out that according to science they can't exist.The Ghost in the Machine-based App Pt. 8 Make Apu Reincarnate Ghosts - 24h, 10GOO, 150xp Make Ned Sprinkle Ghosts with Holy Water - 24h, 10GOO, 150xp Make Frink Have an Epistemological Argument with Ghosts - 24h, 15GOO, 225xpHomer Starts Homer: Finally, a ghost with a sense of style. Bont: My name is Bont. James Bont. British secret agent supreme. At least, I was until you got me killed by Hank Scorpio. Homer: Yeah, Hank still sends me candies at Christmas for that. Bont: To appease my fury, you must let me take over your body, fight supervillians, and make love to a beautiful exotic woman. Homer: Well, I was supposed to work today, but I guess I can call in possessed.The Ghost in the Machine-based App Pt. 9 Make Homer Get Possessed by Bont and Live Another Day - 12h, 5GOO, 100xpLisa Starts Lisa: Pardon me, Mrs. Gypsy, but my dad appeased Maude Flanders, Frank Grimes and James Bont. How comes we're still haunted? Gypsy: I feel the presence of other, older spirits who are also angry at this town. I send unspeakable horror... and a tent. Lisa: Sounds like my last Girl Scout camping trip. Lisa: Just kidding. Girl Scouts are great. Please don't cut off my cookies. Lisa: Anyway, my only clue is an old tent. Lisa: Time to do some research in back issues of our town's longest continuously published newspaper: The Springfield Elementary Daily 4th Gradian.The Ghost in the Machine-based App Pt. 10 Reach level 12 and Build the Springfield Library Make Lisa Research Old History - 24h, 600c, 150xpBont: I say, Homer, can I possess you one more time? All my missions end with me making love to a beautiful and exotic woman. Homer: Well, okay. But don't tell my wife. Bont: That'll be tricky. The woman I'm thinking of IS your wife.The Ghost in the Machine-based App Pt. 11 Reach level 16 and Build the Gilded Truffle Make Homer Get Possessed by Bont and Romance Marge - 8h, 3GOO, 70xp Make Marge Spend Time with Possessed Homer - 8h, 3GOO, 70xpHomer: Marge, how was your date with us? Marge: Fantastic! Although James Bont has this really weird thing for my hair.Moe Starts Moe: Hiya, Lisa. You look down in the dumps. Although that's still better than I feel at my happiest. Lisa: I've been trying to find out about a tent of horror that used to be in Springfield, but I haven't learned anything. Moe: Horrible tent? That sounds like the old Freak Show exhibit, from the 1930s. Moe: My grandfather was the chief attraction there. I'm named after him: "Repulsive Moe Syzslak". Lisa: The Freak Show Tent! It's so politically incorrect I never thought of it. Moe, you're a genius!The Ghost in the Machine-based App Pt. 12 Place the Freak Show Tent - 760c - +vanity - 11x11 - InstantFreak: We are the ghosts of the freaks — the sword swallower, the bearded lady, the guy who can put his whole foot in his mouth... and others. We're dead, so we can't use the money but we appreciate the sentiment.The Ghost in the Machine-based App Pt. 13 Make Lisa and Moe Watch the Freaks - 0/2 - 24h, 600c, 150xpMoe Starts Moe: Okay, we watched all you freaks doing your stuff. Really made me feel better about myself. Lisa: What do you want, O ghosts, so you may rest quietly in eternal peace? Freak: That's what's gonna happen to us? I thought we got to go on a big spring break party in Ghost Cancun. Oh well. Freak: We demand... back pay! Our old boss never paid us the money he owed us. And then we all died. Lisa: Okay. What's the name of your old boss? Freak: That mystery you must solve for yourself!The Ghost in the Machine-based App Pt. 14 Make Lisa Solve the Freak Show Tent Mystery - 24h, 10GOO, 150xpWHILE LISA IS ON THIS TASK, THERE IS A SECRET SIDE MISSIONMr. Burns - Confess - 6s, 6 DONUTS!, 1xpOnce Lisa's task is complete you will have missed this opportunity!Gypsy: The spirits want to help you, Lisa, so they're sending a message: "CEBCREGL BS OEAEAFHZ". Lisa: Oh great, she's speaking in tongues again.Burns Starts Burns: So, you've discovered the truth. Burns: My grandfather, Montgomery Burnsum, ran the old freak show, before he changed his name to make it less ethnic. Lisa: To stop the ghosts all you have to do is give their back pay to their descendants - five bucks. Burns: Forget it. I already pay enough weirdos and goofballs at the plant as it is. Freak: Then all the ghosts of Springfield will haunt you! Burns: These ghosts are picketing my plant day and night. They're worse than the Teamsters. Burns: There must be some way to stop them. Smithers, hire a force of magical Pinkerton detectives to bonk them on the head. Smithers: I'll do my best, sir. Burns: In the meantime, I'll check the Necronomicon!The Ghost in the Machine-based App Pt. 15 Make Burns Read from the Necronomicon - 4h, 175c, 45xpSmithers: You're looking cheerful, sir. Burns: Yes indeed. I've discovered that GOO burns! Who needs expensive uranium when I can power my plant with cheap, stinky, GOO. Smithers: You do realize you are using the essence of human souls to power light bulbs. Burns: Hey, I'm a capitalist. Burning human souls is what I do. Burns: So keep those ghosts coming, and collect all the GOO you can!One of the more hidden features of the 2013 Halloween Event is the Simpson Attic. Tapping the Simpsons HousePhantastic! Homer: Help me achieve my First Labor: impressing rubes with a feat of strength!The Lord Of The Rings Pt. 1 Make Strongman Homer Impress Rubes with His Strength - 12h, 420c, 100xpHomer: What will be the Second Labor of Homerclues? Apu: Strongman, I have an eight-headed hydra that will take all your strength to defeat Homer: *Gasp! You mean... the octuplets?! Apu: Yes! My kids broke into the bulk Halloween candy and now they're going crazy in my store on a total sugar high. Apu: Do whatever you must. I bought a bunch of horse meat from this Greek guy, Diomedes, for my new signature Krusty Whinniewich. Krusty: How'd you like to tenderize it by pounding it with your fat fists? Homer: They're not fat, they're full-figured.The Lord Of The Rings Pt. 3 Reach Level 7 and Build the Krusty Burger Make Strongman Homer Punch Meat in the Freezer - 4h, 175c, 45xpHomer: Well, I made a lot of progress. The meat used to be tough as boot leather, now it's only tough as shoe leather. Krusty: Another Krustyburger disaster. I guess the moral is, don't look at Greeks bearing gift horses for the mouth.Homer: I gotta get one of these labors right, or I'll never get my boon from the gods. And I want boon! Major boon! Burns: Strongman, I have lost one of my hounds. For your next task, you must travel into Hell, find him, and bring him back. Homer: I get finding a lost dog, but what's the "travel into Hell" part? Burns: Well, he'll only come to my voice. So you must carry me pick-a-back while we search... Burns: And the entire time I'm going to complain about the cost of employee health and pension benefits. Homer: So cruel! Still, eyes on the boon. Eyes on the boon.The Lord Of The Rings Pt. 4 Reach Level 11 and Build the Cooling Towers Make Strongman Homer Piggyback Mr. Burns - 24h, 600c, 150xpBurns: On, my poor little doggie, you look so tired. I need you to kill a bull in my tavern. Homer: Kill him yourself. The next feat of strength I'm doing is thunder farts. Moe: Nah, I mean killing a "Duff Bull", the new beer from Duff. "There's no bull about Duff Bull." or some such. Homer: Finally a labor that involves getting drunk, like my regular job.The Lord Of The Rings Pt. 5 Reach Level 15 and Build Moe's Tavern Make Strongman Homer Drunk Duff Bull - 8h, 275c, 70xpMoe: Well, counting up the empties on the bar, I'd say you finished the Twelves Labors of Homerclues.
