When my fourth selector makes a quiz and miss a few questions, I want to be able to pull on a response key and go beyond the questions lost with him. I could not find any answers to the keys everywhere, though (for this case, it was the quiz on mesopotamic geography). Where can I find this? 08-23-2017, À, 11:20 # 2. Have you checked the lesson plans in the parent dashboard? I believe they will have the keys there. You will need to be registered to access this link: 08-24-2017, à, 10:19 am # 3. The answers keys to the fourth degree Studies Studies The quizzes are in the "type" column in the plans / scores and sequence of lessons when connected to the main dashboard. There are indicated by a red capital letter A. To access the plans / scope of lessons and serequiences, access the parent's dashboard. Click Resources, then look at the top of the left sidebar for plans / flow rate and lesson sequence. When you click that link, you will be brought to a table where you can select the subject and the level level you need. Six mom. . . Current students and homeschool graduates.
