Assassin is a game on Roblox. Click the link down below for the information about the values. Assassin value list link What are Values? Well Values are how many exotics a knife is worth, Like a Exotic could either be worth 2 Legendaries (Unlikely) Or 420 Exotics, Theres a Base Rating System Set in place with the fallowing stuff being used to base off of exotics:Exotic,Legendary,Rare,Common Like the Commons you need to craft the rainbow Legendary Knife is worth 2-3 Exotics each time. OP Value: OP Value is when a Knife has high Demand but on the list is not worth what it gets, For example Say if a Knife is worth 3 With a 5 star demand you would pay around 5-8, But thats if who ever the person that your trading with accepts OP value. Pets: There are pets in the game but there not worth the same they still fallow the Exotic,Legendary,Rare,Common Rule With Values, Pets are not worth as much as knives. (We dont know why) But Pack pets are most of the time Worth More. Mythics: Yes there are more Rariys other than the Exotic,Legendary,Rare,Common There are In total: Dream,Mythic,Exotic,Legendary,Rare,Common This page was started by AGalaxyElijah and was improved by And ALOT of amazing people! Exploding rabbit is the game development studio that brought you super mario bros. Join the purple nation discord.
