CONSTRUCTION FLOOR PLANB. 2D FLOOR PLANC. SITE PLAN, SECTIONS, ELEVATIONSHave something different? Please knock me first for any 2D AutoCAD drawingsIf you have an idea or concept drawing, the easiest way to convey your requirement would be through a hand-drawn sketch. No matter how bad you think your drawing would be, I can get started with that.\*\*What I deliver: 1. Source file - dwg 2. Pdf 3. Images - png or jpg format\*\*Please keep in mind:it is better to have a chat before placing the order, which helps a lot get a great plan.I only do AutoCAD 2D services in this gig. Delivery time starts when Anup receives requirements from you. Please give me your hand sketches, PDF, JPG, or PNG file and existing reference from your floor plan, house plan, elevations e.t.c which you would like to see in the design.Revisions may occur after the delivery date. I will collect the design requirement from my client with all the contents. I will make a draft to show my client and will be waiting to get the revision from him/her. After getting the revision, I will show the correction file to my client. After getting the next confirmation of my client, I will provide all source file and pdf file. What if I'm not happy with the work? Anup gets paid when you approve the work. If you are dissatisfied, you can request a refund.
