 Turnitin Assignment

Our undergraduate Open Days give you the opportunity to get a real feel for the University. You can meet other students, chat to academics, attend sample lectures, join an accommodation tour or just explore our beautiful award-winning campus.

We run over 250 undergraduate courses, all of which are represented on Open Days. Choose which [undergraduate courses](#) you are interested in.

"My first day, I remember so well, mainly because I was so nervous," she says.

"We had a staff meeting and coach Sean McDermott addressed everybody. I just remember sitting there and hanging on every word that he said because I fully believed in everything he was saying."

The NFL is one of the most macho sports on the planet and coaching is dominated by men.

Theresa May has joined politicians from the main parties in the UK in criticising [Donald Trump](#) for suggesting there was a moral equivalence between the Charlottesville racist protesters and those campaigning against them.

But the prime minister has not agreed to requests to cancel Trump's planned state visit to the UK in the light of his latest comments, despite renewed calls for the honour to be withdrawn.

Each student should have an icon of a piece of paper under 'file' – if not they may not have submitted.

The screenshot displays the Serene1 dashboard, a user interface for managing a business. The top navigation bar includes links for 'Dashboard', 'Notices', 'Theme Samples', and 'Administration'. The main content area features a 'Dashboard' header with four key metrics: 'Open Orders' (21), 'Closed Orders' (97%), 'Total Customers' (91), and 'Different Products' (77). Below these are two large charts: a line chart for 'Sales' showing revenue over time, and a world map for 'Visitors' showing global traffic distribution. A 'Chat' section on the left shows messages from users like Mike Doe and Alexander Panteleev, with attachments such as 'ThemeThumbnailImage.jpg'. A 'Sales Graph' chart is also visible at the bottom right.

I am I am para poner un botón en las celdas de una de las columnas y hacer algo cuando se haga clic en él. Por ejemplo añado estas líneas al ejemplo 1 de SlickGrid ( Primero al array de columnas añado: {id: "Informe", name: "Informe", field: "Informe", width: 40, sortable: true, formatter:reportFormatter} luego añado: function reportFormatter(row, cell, value, columnDef, dataContext) { return ""; } $("#reportBtr").click(function() { alert("hello"); }); Los botones aparecen en las celdas pero no se llama al evento click ! Debo estar haciendo algo mal, pero no puedo por la vida de averiguar lo que puede ayudar a alguien? Thanks! var grid; var columns = [ { id: 'title', name: 'Title', field: 'title', width: 100, sortable: true, headerCellClass: 'header-cell', headerContent: '', cellClass: 'cell', cellContent: '
