Alhamdulillah, praise to Allah SWT for grace and why hidayahnya we are able to complete the preparation of this proposal. As for the writing of this proposal, the product to offer is a hand craft vessel for decorative and piggy kece of the goods bekas– to we are fully aware that this is the writing of this proposal there are many deficiencies. Therefore, we expect the criticisms and constructive suggestions for the perfection of this proposed writing. Don't forget, let's say thanks to all those who have contributed to the preparation of this proposal, in particular for the supervisor of entrepreneurship courses. Final words I hope this proposal can be useful for all of us and can add to our knowledge in the Kewirausahaan– Studio A and can be used appropriately. PREMISE 1 index 2 INTRODUCTION 3 a .A –, –, –, background 3 b.–, –, –, vision 3 c.–, –, –, –, MISSION 3 d.–, –, –, –, The objectives of 5 a.–f –, –, –, –, profile 5 b.–, –, –, –, strategy for the market 5 C.–, –, –, –, –, SWOT ANALYSIS 7 production process 8 a.–f –, –, –, –, as for production 8 b.–, –, –, –, –, raw 8 C.–, –, –, –, –, Equipment and supplies 9 d.–, –, –, –, is, as for the manufacture of a jar. 9 Piano Budget 10 a.–f –, –, –, –, capital / income 10 b.–, –, –, –, –, The determination of the sale price 10 conclusions 11 a.–f –, –, –, –, –, conclusions 11 Suggestions B.–, –, –, –, –, –, 11 –, –, –, –, –, –, –, –, Enterprises is a form of activities that can make money and can improve your life for the best. A business we live can make a profit as far as possible. We are diligent and creative in business management. –, –, –, –, –, –, –, is, there are many ways that it is done by someone in in Or undergo operations such as retail or create their own product system sold. The activities carried out by means of himself, the product is sold will be more advantages than the system or other commercial activities. In addition to the products sold interest, certainly in this way more easily in interpretation or destined for a profit with a total product that will be sold to consumers. –, –, –, –, –, –, is, by the bottom of which above, so I was interested in doing business using their own way of producing products that I offer artisan – ornamental vases from Former vessel, Foam EX and the ragof cloth doll and piggy Bank Faneldan Kece film of the former Jar. Make the selling value of the used. Consumer satisfaction on a product is my priority. By introducing decorative vases and piggy kece particular on those made with material recycled to the public. Creating a funny, beautiful and attractive ornament with a certain price my lens terjangkau– Choose this type of activity are: 1.mendapatkan profits. 2.Menarik consumer interests to enjoy the products I did, in order to achieve sales goals. 3. You can create new job opportunities. 4. Unused memmanfaatkan goods, From things I'm going to open this business want to distribute the knowledge that I have the ability to craft, –, in the form of experience business and add knowledge about knowledge that has been known to know from my school to be and to People an Orang, Terdekata, and want to innovate with non-elements terpakai, which can be reused and used with commercial value using a used vessel and dolls of pezza and foam ex constitutive to produce artisan objects business Dalama having patience for the manufacturing process e The tenacity in making this effort. Crafts with decorative pots and Piggy Kece–, saving is a very effort Mengaggyurkan for Pregraji Kerjinan hand, we surround second-hand articles, like cans the first is not foreign to us. So we put the idea of making creations with the basic can material for the previous one to be a place of savings or piggy bank term attractive and jars ornamental container for storing sweets and snacks with decorated with various paintings of flora and fauna, Cartoon characters, and so on, so that it can become a more value and have a resale value upper than the plastic piggy bank or clay. Seeing the potential of the surrounding environment Ngawi still very rare that the creation of recycling goods used in a useful object and have a resale value lebih.daur decorative piggy bank or vessel occurs with a variety of ornaments that depicted in the piggy bank as pictures of flora , fauna, the various cartoon characters like Doraemon, Spongebob, Dora, Shon the sheep and so on, and there are also paintings that according to orders Berbeda.Dengan have characteristics I expect to collect or attract customers to try to Buy it. Therefore business opportunities this business can be very promising because rarely competing in this sector, particularly in the city of Ngawi. Marketing strategy –, B.–, which will be diterapkan–, Saya– trying to present a product that is unique and has a high resale value, which in making use of second-hand goods are converted into a product that can still be used Kemali.Tampilan of this decorative piggy bank and make it interesting and only way that consumers are interested. –, provides discounts for ordering products are practically many orders by telephone, SMS, Facebook and Twitter.
