## Must watch korean web series

Well, if you want to spend some time watching good stories, then why not use it to watch Korean Web series? You can experience all emotions from romanticism to sadness, crime thrilles, to some psycho-psyhic dramas. From the charm of Song Joong Ki to the actor from the millionaire smile Ji Chang Wook to the king as Lee Min Ho. They have everything. This is a must watch list for those who are just immersing themselves in Korean culture and the Web series. Well, I can promise you you'll love the characters.Here226; It is the list of Korean dramas that are fashionable now and are a delight to watch -194; (1) descendants of the Sunni-160; For all fans of Song Joong Ki, this Korean web series is a pleasure to watch. This story holds a lot of emotions for you. The love story of Yoo shi jin, officer of the Korean Special Forces and Kang mo Yeon, surgeon of Haesung Hospital and how they go through the difficulties in a country devastated by war. Seo Dae Young and Yoon Myeong's love story seems true. Even those who crave bromance must look at it. A perfect example of love history that shows love, friendship, difficulty and that still go through everything.2) Goblin 160; This is a fantasy drama played by Gong Yoo, Kim Go-Hye, Lee Dong Wook and Yoo In-na. A story about a goblin who's been waiting years for his life to take the curse off him. Lee Dong Wook plays a reaper, whose life is intertwined with the past life of goblins, but has lost his memories. How these characters meet again and everything goes back to its place. A story full of deep emotions.3) What226; You're wrong about Secretary KimPark Seo Joon's must-watch Korean drama. A traumatic experience in childhood connects both the tracks with deep connections and after a very long period they meet as chief and secretary. A narcissist who falls in love with his secretary and how life unfolds and brings back the emotions and promises they made. Done. The K226; One of Ji Chang Wook26's best performances can be seen in this Korean drama. Kim Je Ha, also known as K2, a Korean soldier in Iraq who is framed for the murder of his lover and becomes a fugitive but is then hired as a bodyguard for Choi Yoo Jin, wife of a presidential candidate. How he meddles in the house's dirty politics and fights them. In addition, he falls in love with the daughter of presidential candidate An-na and protects her and fights against her ally. Truly a character you'll fall in love with.5) The Heirs26 Calling all Lee Min Ho fans, add this Korean web series to your watch list. This drama is about the chaebol of industries and their school life. This is full of friendships, rivalries and love lives of these young heirs. He brings out the emotions of Kim Tan who falls in love with a girl named Cha Eun-Sang whose mother works as a maid. The icing on the cake is Kim Woo Bin, who plays a bad boy in this series.26 6) Boys Over Flowers26 This story revolves around a poor but very talented girl named Jan-di, who is transferred to a school designed for the elite. This school has a group called F4 which are very wealthy kids and their team leader is Gu Jun-Pyo. In the web series, Gu Jun-Pyo falls in love with this girl, Jan-di, and then the F4 guys enter Jan-di's life. A beautiful drama that brings back your school romance.7) Crash Landing on You26 This Korean web series is a popular 2020 web series by Hyun Bin. A story of Se-ri who is a fashion entrepreneur in South Korea but lands in North Korea due to a paragliding accident. She meets an officer from North Korea who decides to help her return to her country without being caught and falls in love with her on the way. These two worlds collide and move through adversity is the beauty of this drama.8) It is This Korean web series is a story of a man who works in a psychiatric hospital and a child book writer who has an antisocial personality disorder. This story is a must-watch for all fans of psycho-medical drama as the tracks have justified their roles at the core making you pass through the Russian mountains of intense emotions in the web series. The intriguing title makes you wonder what this drama will offer you.9) Arthdal Chronicles194, 1607 The mythical land called Arth holds these wonderful characters called Eun-seom, tan-ya, saya and Ta-gon in the Korean web series Arthdal Chronicles. History moves through the inhabitants of this city and nearby places who wish to acquire power and build a new society. This is a story of good and evil, even as a person who seems to be gold can be the one in which evil resides.10) When My Love Bloms1f are looking for a story that shows old-age romance, this Korean web series is the right choice. Like a small flame can ignite the hearts of lost lovers, even if they meet after a decade. Life offers them a second chance to meet and make love happen again, but this time with their different lives and responsibilities of children. Will they listen to their heart?11) Second 20th s194; A life of Russian mountains of a mother who is diagnosed with pancreatic cancer and has a six-month time limit wants to complete her university life is what this Korean web series is all about. But things have changed because © She has to study with her son and girlfriend in the same class. The journey of a girl who in the 20s wanted to become a dancer but gets pregnant and leaves school to become a mother and housewife. Later when life gives you a second chance live his 20th birthday still.12) A Sunny Day is 160; A Sunny Day is a Korean web series with a story that makes you believe that love can come from you and at any time. Kim Ji-ho is a heartbroken man who visits Jeju Island for his business work and is robbed of all his personal effects and involuntarily clashes with Kim Ji-won who shares the same room with and how these situations make them fall in love with each other and heal each other. a Korean web series, is a thriller of crime that deals with young school students. This drama shows how an intelligent mind can deviate into a road full of crimes and illegal acts. A very strong performance by Kim Dong Hee, who plays the role of the best student who manages an illegal activity to get out of his poor life, but is caught in the act and is now being blackmailed by his classmates. This drama is a must-watch for all fans of Korean drama.14) Vagabond is 160; The Korean web series Vagabond is a194; story that revolves around Cha Dal-geon who is a stunt man who wants to become a world-famous action actor. How his life turns into a disaster when his grandson is killed by a terrorist organization that makes him give up everything and fight for his grandson. This man becomes the strong force to drag down the guilty along with Go Hae-r1's help, Moon Lovers: Scarlet Heart RyeoThis Korean web series tells the story of a girl named Go Ha-jin who is a modern-day 21st century girl who is dragged back in time to the Goryeo dynasty and becomes part of the royal family. This family has many principles in competition to be the Crown Prince. At first he falls in love with the warm eighth prince, but then the fourth prince who is fearful and the one who deserves to be in power. A splendidly knitted story showing the lives of princes and kings.16) Romance is a Bonus Book 160; the story of a gifted young writer who becomes the editor-in-chief of a promising publishing company in this romantic Korean web series. Go on. Go on. How her life intertwines with an old copywriter desperately searching for a job whose life turned upside down after the divorce and she has the responsibility of a child. The story tells the challenges of a young writer who falls in love with an old woman. 17) Hospital Playlist The story tells the life of five friends who have lived together since middle school and who are now successful doctors working in the same hospital and who want to continue their work and their passion for music. This Korean web series shows us how to keep friendship, love, work and passion all together on one string.18) Something in the Rain The story tells the life of a single career woman who falls in love with her best friend's younger brother while trying to reunite with him who has returned from abroad after three years. A silent and slow love story that goes through the problems they face in life trying to conquer each other. This Korean web series is perfect for those who want to watch a drama with their partners.19) The Flower of Evil The life of a person who hides his true identity to hide his horrible past shared with his family is portrayed in this Korean web series, The Flower of Evil. He lives under a new identity and now has a wife and a son he loves unconditionally. But things change when the wife detective tries to find out the truth about her past. Everything will end well, watch this Korean drama to learn more.20) Itaewon Class26 This Korean web series tells the dreams of a young ex-convict who now wants to have a healthy life and fulfill his dream of owning a street bar in Itaewon, a vibrant place in Korea. The obstacles she encounters on the path to her dream are the plot of this drama. One of the Park Seo Joon's performance to date. 21) The world of the Married This story is of a wife Ji Ji who works as a family doctor who is married to Lee Tae-oh, director and have a teenage son together. They're happily married for years, but the plot changes when the husband gets caught cheating on his wife with a girl. This story goes on with emotions full of love, betrayal and revenge. One of the best Korean web series on the list to watch! Theris has no end to this dramatic Korean world, but for now, this is my list of Korean Web 21 series that are must-watch. This list is full of different genres so it will attract different people who have different tastes. These dramas will make you look for more interesting Korean dramas. So just take some snacks, drinks and your laptop to dive into this interesting world. Read more:194; 1607 Most Soul lovers to watch and keep Kid In You AliveExplore: Feeding Trends `124Events
