Cause & Effect - Matching

Draw a line to match the cause with the effect.

Cause	Effect
I kicked the ball very hard.	I put on a jacket.
I ate 4 pieces of cake.	A tree started to grow.
I was cold.	I was tired this morning.
I didn't sleep well last night.	My stomach hurt.
I jumped in the mud.	The toy broke.
I stepped on a toy.	It went over the fence.
I planted a seed.	My feet got dirty.

Name: _____

Cause and Effect

Directions: Read each effect below, and write a cause that may be responsible. Be imaginative, but be sure the cause is appropriate to the effect.

EFFECT: Patty started crying uncontrollably.

CAUSE:

EFFECT: All of the lights in the house went out.

CAUSE:

EFFECT: The tree in my back yard suddenly fell.

CAUSE:

EFFECT: There was no pie left in the refrigerator.

CAUSE:

EFFECT: Candace received the first prize ribbon.

CAUSE:

Copyright © 2021 K5 Learning "The Boy Who Cried Wolf" Story Map "The Boy Who Cried Wolf" Story Map Give your second graders some practice building their reading comprehension skills with the timeless story of The Boy Who Cried Wolf. Students will read this classic fable and then answer questions about setting, characters, genre, and cause and effect. 2nd grade Reading & Writing For every effect, there is a cause. In other words, causes are inevitable for effects. If students want to excel in their writing mechanics, they can't afford to turn a blind eye to the cause-and-effect relationship in a complex sentence. Equipped with the general mentoring and specialist guidance required for children in kindergarten through grade 5 to make tremendous and progressive accomplishments in this topic, our printable cause-and-effect worksheets help improve and master this important writing aspect for a lifetime. Practice some of these worksheets totally free of cost! Cut and Glue Activity The road to mastery in cause and effect is full of engaging exercises; identifying causes and effects, and putting them together is at the forefront of these. This printable cut-and-glue activity helps practice this. What is the effect? Stick with the young ones throughout this PDF worksheet, and you'll be rewarded with an utterly fulfilling experience of utmost success glittering all over! Kids read eight causes, and write effects for these. Cause and Effect Chart With the help of this engaging and dynamic chart, kindergarten and 1st grade kids get the gist of cause and effect, without being caught in the labyrinth of its technicalities. It defines, provides signal words and exemplifies the concept. Matching Causes to Effects Here's a matching exercise, where kids in grade 1 and grade 2 find out which effect is a logical result of the given cause, and match accordingly. Now, this is a great stride in the cause-effect journey! Identifying Causes and Effects Together, a cause and an effect form a complex sentence. It's fun identifying the cause and effect in such a sentence. Equipped with plenty of practice to further the skill of children in grade 3 and grade 4, this PDF is a compulsive print. Coloring Causes and Effects As a dedicated and committed-to-quality teacher, you will like this coloring PDF worksheet. Students in 4th grade and 5th grade distinguish the cause and effect in a sentence, and color causes yellow and effects green. Fantastic, isn't it? Writing Effects for Causes Let children not cut corners with their cause-and-effect learning, and spend as much time as possible at it! Here, they read a number of sentences with causes, and write appropriate effects. Writing Causes for Effects Let students not succumb to the ebb and flow of the cause-and-effect learning. Let them write causes for effects with much the same enthusiasm, and bring that victorious smile on their face! Writing Causes and Effects Let this printable worksheet be your dazzler, the heart of cause-and-effect learning! In part A, kids complete sentences by writing causes, while in part B, they do it by writing effects. Practice reloaded, isn't it? Cracking a Riddle This 2nd grade and 3rd grade PDF worksheet, doubling the cause-and-effect practice with a riddle fun, is terrifically appealing. While kids complete the sentences with apt words on the one side, they solve the riddle on the other. Fairytale | Cause and Effect Let the animated children watch the cause-and-effect learning take a turn for its most exciting. After reading an excerpt from "The Traveling Musicians", they write two causes and one effect. Cause and Effect Diagram | Template Brainstorm the major causes of the problem, and instantly analyze the effects with this cause-and-effect diagram template otherwise called the fishbone diagram. This 157-page resource pack is filled with posters, graphic organizers, games, task cards, centers, work sheets, printables, INB pages and more to help make planning for this RS story easier for you, and more enjoyable for your students. Also included is a selection test with 20 multiple choice questions. Table of Contents: Read, Review, Remember take home study guides Question of the Week and Question of the Day (2-5) Retell Sentences for Interactive Notebooks or Retell Picture Phonics Posters Page 2 Counting to 20 - Math Picture Puzzles {1st Grade} by This Counting to 20 Math Picture Puzzles packet includes six (6) puzzle activities that focus on the skills of counting numbers, specifically, counting to 20. These puzzle activities will provide a fun and engaging way for your students to practice counting numbers to 20 as well as look at a number of objects from 1-20 and write the numeral that represents each number of objects. Here's what's included... -Good Job, Ben! (short e) -Good Job, Ben! Characters, Setting, Ev Page 15 This bundle includes supplemental word work, comprehension questions, story maps, grammar activities, a phonics and comprehension tri-fold, whole group story tri-fold, literacy stations, anchor charts, and much more. The activities are perfect for whole group and guided reading groups. Comprehension questions for the leveled books are included! All activities were created using the common core standards. Here's what's included... -Which Way on the Map (ch, -tch, wh, ph) -Which Way on the Map Ma Page 17 When two vowels go walking, the first one does the talking! Double vowels or "vowel teams" are very tricky! This unit provides a variety of printable, hands-on, engaging word work activities for the vowel teams ai, ee, ea, and oa. These activities are ideal for center work, literacy stations, independent work, whole or small group reading instruction! This unit is print-and-go and will save you lots of time! Here is what is included: • Short and Long Vowel Sort. Read and sort short and long vo Page 18 A Soccer Ball About Me", is a fun, first week back to school, all about me creative art activity. This soccer ball template invites students to respond to prompts in a personal, imaginative way using doodles, mark making, graffiti style lettering and imagery. For 2021, I have also created A Basketball About Me art and writing resource! 16 Instructions/prompts on the ball template include: Name, Age, Self Portrait, Favorite Song, Food, Book, Sport and Color Activities: Color this, take a line for a w Page 19 Grammar Second Grade Activities: Year-Long Bundley "This made my planning so much easier!! My students loved the first few days and asked when they'll be doing grammar again!" - Denielle S. Grammar is one of those subjects that's so important for kids to understand, but somehow, it just never feels like there's enough time to teach and prep activities for it. Thanks to this bundle, your students can become excellent grammarians in just 10 minutes a day! I designed the activities to use the same set of instructions so you don't use up valuable tea Writer's Workshop Bundley This writing bundle is perfect for writer's workshop in Kindergarten and First Grade Classrooms. There are five writing units included, each of which contain at least three weeks of lesson plans, anchor charts, interactive activities, and writing templates. This writing bundle aligns nicely with Lucy Calkins units of study. ***PLEASE CLICK "PREVIEW" TO SEE WHAT IS INCLUDED*** Writing is fun with these writing units perfect for your Kindergarten and First Grade Classrooms. Save big with this Black History Month Collaboration Posters Bundle Set 1. This is the first volume of my Black History Month Collaboration Posters bundled together. There are five (5) people featured in this bundle: Rosa Parks, Dr. Martin Luther King, Jr., Ruby Bridges, Booker T. Washington, and Barack Obama. These posters are great for ANY age or grade. I have included several variations for each poster. You may also be interested in my Black History Month Collaboration Posters Bundle, Set 2! Black History Month This is an embedded reading meant to be used in the first week or two of Spanish 1. It includes the structures cómo te llamas, me llamo, se llama, muchacho/muchacha, and dice, as well as a lot of cognates. It contains FOUR versions: A four-page booklet with a three-level embedded reading—each one more detailed—and comprehension questions. (see [www.embeddedreading.com](#) for more information on the strategy) A projectable version of the most detailed reading from #1A photocopyable version of the most STAAR Reading Daily Warm Ups 8th Grade #1 by STAAR WarmUps for 8th Grade. These reading warm-ups are our first set and are aligned to 2016-17 STAAR Reading 8th Grade. There are 20 days of warm-ups with poetry, literary nonfiction, fiction, and expository. They half-page cards with two cards per printable page. Each day is a different STAAR-aligned text with 3-4 questions. STAAR Reading Daily Warm-Ups Includes: • Focused on STAAR Readiness Standards • Four weeks of spiraling STAAR warm-ups • STAAR stems and scaffolded questions • 20 Days Number Sense Activities (0-20) by These number sense activities and games are perfect to help kindergarten and first grade students gain awareness of the numbers 0-20. Students practice ordering numbers, comparing numbers, building numbers, and identifying different ways to make the numbers 0-20. What is number sense? Number sense is the ability to identify and conceptualize numbers. From an early age, we want our students to be able to identify different quantities and understand what those numerals mean. In this unit, students r Help your students develop confidence reading and writing high frequency words! The 1st and 2nd Hundred Fry Words, Set One Red Words, and additional words commonly taught in early literacy programs are featured. Please take a look at the preview to see the full list of words that are included as well as the highly supportive key for long vowels, short vowels, r controlled vowels and more! On each poster and card, the featured word is presented in a clear primary font. Parts of the word that early CVC Words and Worksheets | Blending CVC Words by These engaging CVC words worksheets and activities will help your kindergarten and first grade students gain confidence in reading consonant-vowel-consonant words. The CVC words activity cards give students practice identifying initial, medial, and final sounds. Additionally, by reinforcing consonant-vowel-consonant patterns, you will help students improve decoding and fluency skills. They are perfect for both small group instruction and independent literacy centers. What materials can my students SAVE 30% WITH THE BUNDLE! Level B focuses on Pre K, kindergarten, and first grade skills and standards. For more Level B activities, check out our Level B Bundle 2 here. For higher level content, check out our Level C Bundle here. Click here to read more about our skill matrix breakdown. Gabrielle Dixon from Teaching Special Thinkers and I are thrilled to bring you the Made for Me Literacy Year-Long Bundle! Having both taught in self-contained special education classrooms, Gabrielle (Teaching Special Animal Farm by George Orwell is as applicable today as when it was first written. These complete lesson plans, worksheets and activities aim to make that true, to make the novel relevant and engaging for your students. These resources will equip you when teaching Animal Farm, and hopefully will make it a lively learning process. *** You can download the first lesson FOR FREE here, to get a preview of the standard of this pack. *****Pronouns by Kelley Dolling - Teacher Idea Factory Pronouns? Coming right up. This collection is the perfect skills review packet for 1st and 2nd grade. From fun art projects and card games to oodles of relevant worksheets, this collection has it all! This awesome packet even comes with a FREE pronoun song by Ron Brown's Intelli-Tunes. **This packet received a much needed facelift on 4.3.16. It now contains an EDITABLE set of word and sentence cards as well as much more up to date graphics. Be sure you re-download this file if you have already read Wondering how to teach EFFECTIVE guided reading and phonics with decodable readers in Kindergarten, 1st grade, or 2nd grade classroom? It doesn't have to be difficult! This science of reading curriculum has everything you need ready to print and go - including decodable books, lesson plans, and phonics materials. Rethink how you teach reading! These science of reading curriculum units align with research from the science of reading (SOR) and uses best practices to make your small groups guided. This daily schedule cards set includes 400 visual schedule cards for Pre-K, Kdg, 1st, 2nd grade and Homeschool. You can place these on a pocket chart or magnetic board so your students (and you!) know what is happening each day! Add the analog or digital time clocks included (on the hour and half hour). Using a Visual Daily Schedule will help ensure a successful day for your students (and you!) Knowing what is happening throughout the day helps to relieve stress and anxiety in young children. t Page 20 This introduction to anatomy unit is designed to be everything you need to teach your first unit in a high school Human Anatomy and Physiology course. Content covered includes: a review of key concepts from Biology 1, homeostasis, regulation and feedback mechanisms, cell signaling and communication, an overview of human body systems, anatomical terminology, and an introduction to histology, the study of tissues. This product includes PowerPoint notes (with corresponding lecture videos), a packet Page 21 Take book reports and book projects to a whole new level with this super fun Doodle Book Review! First, students complete a step-by-step planning guide. They'll reflect on the book's characters, plot, setting, and theme. In addition, they'll rate the book, identify an important quote, write a summary, describe the book in just three words, and even make up an award for the book. Next, they'll use their insights from their planning pages to design a Doodle Book Review. Using a doodle template Page 22 This bundle includes supplemental word work, comprehension questions, story maps, grammar activities, a phonics and comprehension tri-fold, whole group story tri-fold, literacy stations, anchor charts, and much more. The activities are perfect for whole group and guided reading groups. Comprehension questions for the leveled books are included! All activities were created using the common core standards. Here's what's included... -Good Job, Ben! (short e) -Good Job, Ben! Characters, Setting, Ev Page 23 Differentiate paragraph writing for 2nd and 3rd graders with this how to write a paragraph bundle! This bundle includes resources that include standards for 1st, 2nd, 3rd, 4th, and 5th grade! The prompts are mostly the same, but the 1-2 set has simpler instruction text and larger writing lines, and grade-appropriate clip art. The 3-5 set has smaller, more detailed text and smaller lines for longer student input as well as clip art for older students. This bundle includes 2 resources: How to Write a Page 24 The mind + heart Social Emotional Learning Curriculum includes 8 units with 5+ detailed, character education LESSONS filled with hands-on and mindful activities that encourage children in Kindergarten, first grade, and second grade to build important social skills and emotional awareness. Teach children the most important lessons in life when they need it the most with units and activities on emotions, self-regulation, growth mindset, empathy and social awareness, friendship, kindness, respect, a Page 25 This complete, hands-on science unit for teaching about the life cycle of plants centers around an engaging 9-lesson teaching Power Point using "real life" pictures your students will love. Ideal for first, second and third grade, students learning the stages of the life cycle, plant needs, parts of a plant and seed, germination, chlorophyll, photosynthesis, pollination, plant adaptations, and seed dispersal. Content-rich, this unit is loaded with over 20 activities and science experiments, writ Page 26 Teach your students how to take care of books. This mini unit includes posters (for little learners and readers), anchor chart, book hospital posters, and a read aloud. These activities are designed for preschool, pre-k, kindergarten, or first grade. This can be used in a classroom, school library, or lending library. This is included in my Social Skills (SEL) & Character Education Bundle for Preschool, Pre-K, and Kindergarten! Buy the bundle and save over 20%! Included: • Read Aloud: I Can
