Iron Maiden es una banda británica de heavy metal fundada en 1975 por el bajista Steve Harris. Es considerada una de las bandas más importantes de todos los tiempos. Ha vendido más de 100 millones de discos en todo el mundo, a pesar de haber contado con poco apoyo de la radio y la televisión comercial durante la mayor parte de su carrera. Avenged Sevenfold was the band's final full release to feature The Rev, who died of an accidental overdose of prescription drugs and alcohol on December 28, 2009, while they were producing their next album Nightmare. Mike Portnoy performed drums on 2010's Nightmare. Mike Portnoy performed drums on 2010's Nightmare, which topped the Billboard 200 for the first time in the band's career. Matthew Charles Sanders (born July 31, 1981), known by his stage name M. Shadows, is an American singer and songwriter. He is best known as the lead vocalist, songwriter, and a founding member of heavy metal band Avenged Sevenfold. In 2017, Shadows was voted third in the list of Top 25 Greatest Modern Frontmen by Ultimate Guitar.
