Resident evil 4 mod apk download pc

Resident Evil 4 é um dos jogos mais populares da série de terror, apesar de dividir fãs devido ao seu maior foco em ação do que suspense. Mas isso não impediu que usuários criassem várias modificações do game para PC. Algumas aumentam o terror, enquanto outras melhoram elementos existentes ou adicionam extras. Confira os melhores mods para download em Resident Evil 4. Resident Evil 4 e Zelda: veja melhores jogos de Nintendo GameCube Silent Hill Atmosphere Um dos mods mais curiosos da lista, o Silent Hill Atmosphere atribui a Resident Evil 4 um detalhe famoso de um dos seus concorrentes: a névoa de Silent Hill. O visual do game fica bastante misterioso e macabro, com uma névoa que diminui a visibilidade e deixa tudo com um ar mais frio, acinzentado. Criado pelo usuário Kerin, este Trainer oferece uma série de facilidades como energia infinita para Leon e Ashley, munição infinita, munição que mata com um tiro, itens gratuitos no mercado e outros. Com a ajuda de um Trainer você pode jogar Resident Evil 4 sem se preocupar em perder (Foto: Reprodução/Resident Evil Modding Forum)Kill Them All Este é um mod para jogadores a fim de descartarem frustrações nos personagens de Resident Evil 4. Criado por Dexiaz e existente apenas em versão beta, este mod permite assumir o papel de um assassino genérico que tem como alvo personagens que normalmente não poderiam ser mortos, como Leon, Ashley, por exemplo. Outra chance para Kevin Ryman Um dos games menos conhecidos da série Resident Evil foi o jogo multiplayer online Resident Evil: Outbreak para PlayStation 2, no qual havia um personagem chamado Kevin Ryman. Com um mod criado pelo usuário de apelido Cryfolduouche, jogadores podem colocar Kevin como o protagonista do game e dar a ele uma nova chance para brilhar Kevin Ryman ganha uma nova chance de brilhar como protagonista de Resident Evil 4 (Foto: Reprodução/Mod DB)O rei do Pop Talvez não seja a modificação mais impressionante tecnicamente, mas o mod de Michael Jackson em Resident Evil 4 criado pelo usuário Leon_me_kennedy1438, sem dúvida ganha pontos pela originalidade. A alteração toma como base a roupa extra de mafioso de Leon no game e muda sua cor para deixá-la branca, como a do artista no clipe de Smooth Criminal. Não há uma forma melhor de matar ganados em Resident Evil 4 do que como Michael Jackson (Foto: Rerodução/Xoom Clips)Enhanced Environment O título deste mod poderia ser traduzido facilmente por "ambiente melhorado" porque isso é exatamente o que ocorre: melhora os gráficos dos cenários do game. Parte desta modificação usa algum trabalho de outros mods, segundo o autor de apelido Cerberus84, porém ele trabalhou nas texturas do jogo para deixá-las mais detalhadas do que nunca. Os gráficos de Resident Evil 4 ficam bem melhores com o mod Enhanced Enviroment (Foto: Reprodução/Mod DB)Realistic weapons and sounds pack Se você é um aficionado por armas, este mod adiciona versões de armamentos reais em Resident Evil 4, ao invés dos modelos genéricos criados especialmente para o game. Ele também traz sons de disparo mais realistas para acompanhar cada uma das armas do mundo real transposta para as mãos de Leon. Melee Model Weapons Pack Criado pelo usuário Viper Snake, este é um mod em sua maioria visual, que adiciona uma série de armas brancas extras para Leon utilizar no lugar de sua tradicional faca. A variedade de armas vai desde itens presentes no jogo, como machadinhas, foices e serras elétricas, até itens inéditos criados pelo usuário, como uma katana e uma guitarra. This Is one of the Best Horror Game Of All time, the Graphics are awesome, there Is Lot o Guns, you Can Find within the game, Storyline Is Great, so many Main Bosses That You Have to Defeat In order to Complete Missions. Resident EVIL 4 GAMEPLAY The player controls the hero Leon S. Kennedy from a third-individual point of view. The ongoing interaction centers around activity and shootouts including hordes of foes in enormous open zones yet at the same time includes some Horror components inhabitant abhorrent 4 exceptionally packed. The camera is set behind Leon and zooms in for an over-the-shoulder see while pointing a weapon, or a first-individual view while pointing with an expert sharpshooter rifle. There is no crosshair for guns, all things considered, each gun has a laser sight. Dissimilar to past games where players can just shoot straight, up or down, players have more alternatives. For instance, Gamer can shoot the gun on the feet which would make foes stagger, and gun shots to the arms can make them drop their weapons. Players can destroy shots like tossed tomahawks or sickles. Another part of Resident Evil 4, new to the arrangement, is the consideration of setting touchy controls. In light of the circumstance, players can connect with the climate: kicking down a stepping stool, leaping out of a window, avoiding an assault or executing a "completing move" on debilitated adversaries. There are likewise speedy and rapid time occasions, in which the player need to do some tasks on-screen to execute activities, for example, avoiding a falling rock or wrestling an adversary to remain alive. These are regularly consolidated into the game's many supervisor battles, where the player should keep away from moment execute assaults occupant detestable 4 exceptionally compacted. Description : Resident evil 4 remastered is the result of fan efforts to bring the fourth episode of the famous zombie saga to mobile platforms. Players get very, very comfortable gameplay, both in terms of graphics and controls. Thus, given the "non-native" status of the entertainment, the process will be as smooth and hassle-free as possible. Don't forget that this is still a horror game. So in some places, you have to fear and confuse buttons with natural consequences. All in all, this is a great opportunity to enjoy a fascinating representative of the genre without having to wait pointlessly for official ports.Modresident-evil-4-remastered-v2-mod.apkData - OBBcom.WS.RE4.zipExtract and copy the folder to SD/Android/OBB Looking for some epic actions in your next shooter titles? Kennedy, one of a few survivors from the incidents that happened in Raccoon City, in his new adventures. Here, prior to the gameplay of Resident Evil 4, Leon was recruited and trained by a government organization to turn him into a capable agent for the special security team.In his latest missions, Leon finds himself being transported to Spain, in a part of an important rescue operation, with the main target being the president's daughter - Ashley Graham. She was recently kidnaped by an unknown cult, in their attempt to take control of the presidency. But there is more to that, as turns out, the cult was secretly controlling the minds of their followers with some kind of parasite called "Las Plagas". And this was just the beginning of the stories, with tons of horrifying truths for you to discover.Along with Leon's side of the story, gamers will also find themselves engaging in another exciting series of events with Ada Wong, the mysterious mercenary who is also on her track of the cult. Here, you can enjoy the separate gameplay with both characters and take on many co-op missions together. Feel free to have fun with the ultimate gameplay of mobile shooter as you progress and unlock awesome experiences with Resident Evil 4, the ultimate blockbuster on the previous PlayStation 2.FeaturesHere are all the amazing features that the game has to offer:Dive into the third-person shooter experiences with epic actionsTo start with, Android gamers in Resident Evil 4 will find themselves diving into the exciting gameplay of third-person shooter with tons of epic actions. Feel free to enjoy the first title from the series that had gotten rid of the fixed camera. Now you'll be free to move around and engage in more exciting shooter experiences with fast-paced gunplay, convenient touch controls, and immersive shootout challenges. In addition, with added enemies, both in numbers and abilities, the exciting gameplay of Resident Evil 4 will truly hook you to many of its interesting challenges.Simple and convenient saving optionsIn addition, with Resident Evil 4, Android gamers can also find themselves making simple and easy saves throughout their adventures. Feel free to get rid of the ink ribbons that only allow you to make your saves in certain spots, Resident Evil 4 now comes with the accessible save options that you can quickly access while opening the setting panels. Choose to save as many times as you wish and reload them whenever you want. Not to mention that the quick checkpoint feature will make the game more satisfying, as you won't need to go over and over again just to replay certain scenes that you've failed.Enjoy tons of quick time events and engaging cut scenesAlso, to allow Android gamers to better engage themselves with the stories and in-game advancements, Resident Evil 4 does feature tons of quick time events (QTE) that will engage you into the gameplay. And at the same time, immersive and beautiful cutscenes with greatly enhanced graphics will also make the game extra special. Here, you can truly find yourself engaged in the stories with many of its engaging progressions. Many QTE will come with split-second decisions and executions that you need to perfect before you get hammered by the enemies. This will keep you hooked to the game and allow you to enjoy the actions to the fullest.Truly engage in the escort missionsAnother thing that separates the game from other titles in the series is the engaging escort mechanics, which require players to keep Ashley by their side. Here, you can truly engage in the rescue missions through many interactions with Ashley throughout the experiences. You can command her to "wait", "follow", and "hide", which will make you feel like you're actually guarding the hostage. Don't let the enemies kill her, since this will mean that you need to restart the game from the previous saves.Also, it's possible for gamers to attempt killing her with any of their preferred weapons. This won't result in any changes of the game and you can progress moments later, which makes it a good way to relax and eliminate stress after all those challenging rescue missions. In addition, occasionally, you'll find your helpless Ashley being quite useful, as she can potentially reach up to places or engage in other in-game elements that you can't do alone.New inventory setups with interesting featuresWith Resident Evil 4, Android gamers will also find themselves enjoying the new inventory with grid setups, which resemble the interesting gameplay of Tetris. As a result, you can find multiple ways to fit your items and weapons inside the inventory, and most importantly, turning the items upside down in whichever direction to fit them into the full inventory. Always attempt to make upgrades to your inventory so you can increase the total space, which can be more than three times the original.Explore tons of interesting weapons and upgrades from the MerchantFor getting items, weapons, and making upgrades in Resident Evil 4, Android gamers will need the help of The Merchant, who is responsible for multiple purchases in the game. You can find him in multiple areas in the game as the guy will automatically spawn on certain designated locations throughout your adventures. And the further you advance in the game and unveiled better portions of the stories, the items, and upgrades inside The Merchant's shop will offer more advanced options, and of course, they will cost you more money to purchase.Feel free to unlock the huge collection of different weapons with the help of The Merchants. And even the ones that you find on the way will also need The Merchants to upgrades. Explore the different approaches and experiences with the shooter gameplay while enjoying tons of powerful weapons. Unlock unique gameplay whenever you're in Resident Evil 4.Varied difficulties for you to selectAnd if you're finding the game being too difficult or too easy, it's totally possible for Android gamers to make their complete changes of the gameplay thanks to the available difficulty levels. Here, you can choose between 4 different difficulty modes, which consist of Amateur, Easy, Normal, and Professional.In these different modes, you'll find the game getting significantly more different as Leon must overcome more challenges in the Professional mode, while they are often skipped in the other modes. And at the same time, more powerful weapons and items will also be introduced to better guide you through the challenges. And most importantly, the varied power levels from your monster enemies will make the game extra enjoyable.Enjoy tons of bonuses and unlockable contentAlong with the main gameplay, Resident Evil 4 also introduces many of its interesting unlockable that you can only pick up from the game, once you have had it completed. Here, the game will introduce multiple bonus items and costumes for both Ada and Leon, in addition to a collection of new game modes that you can enjoy.
