About Call of Duty: Modern Warfare 2 Call of Duty: Modern Warfare 2 is a first-person shooter video game developed by Infinity Ward and published by Activision. The Call of Duty gameplay: Modern Warfare 2 revolves around focusing against frantic enemy fighters. The player controls a soldier, and can perform several actions, including jumping, sprint, crouch, lay prone, and point down their gun at a metal mire. When the player is shot by an enemy, the blood will splatter their high display (HUD), denoting that they took damage; If the player avoids firearm, taking coverage, their health will recover. The HUD also displays more information, such as a compass, a mini-map, and the player's counting current ammunition. The game has traditional guns, including assault rifles, hunting rifles, guns and sniper rifles. The player will be given specific guns at the beginning of each level, but can change them out with another gun they find. Some guns are attached, such as suppressors, and cardiac beat sensors. The player can also use grenades and flashbang in front of a large group of enemies, as well as a knife for close fighting. At some levels, the player will be given special equipment, such as night vision glasses, or a laser designer. Call of Duty: Modern Warfare 2 has three different game modes: countryside, Spec ops and multiplayer. Campaign is a single-player mode in which the player complete eighteen levels connected by a general texture. Each level has a series of goals to be performed, and the player will often change the character between the levels. If the player dies during a level, he respawn at the latest checkpoint. Levels can be reproduced on one of the four difficulties, and each level can be played after it has been completed. MODALITY SPEC OPS has twenty-three additional levels that can be played individual or cooperation with a partner. Levels provide specific challenges, how to defuse three bombs in a short period of time. If a player is shot down during the cooperative game, they will start crawling, and they can shoot enemies with a gun. If they are not reviving from the other player, then they will die and fail. There are five levels of Spec ops With each level more difficult than the previous one. Only the first level is available from the beginning, as the levels later can be unlocked with enough stars. The player earns stars by completing the levels on one of the three difficulties, with the number of stars earned corresponding to the chosen difficulty. The multiplayer mode allows players to compete against each other in team-based game types and deathmatches on various maps. Each type of game has a goal that requires unique strategies to be completed. If the player kills three or more players in a row without dying, they reach a "Killstreak", which gives the player a tactical advantage during a game. These include a predatory missile, a sentinel gun and a "tactical nuke". Alternatively, if the player dies more times without killing, they will be rewarded with a "deathstreak" bonus, which runs the game for the player. A match ends when a team or player has reached a predefined number of points, or the assigned time expires in which case the team or player with the greatest number of points wins. The player's performance in the multiplayer is monitored with experience points, which can be earned by killing opposing players, completing the goals or completing a game. While the player earns experience, they progress, unlocking new weapons. The player will also unravel the advantages, which modify eliminate gambling elements such as unlimited sprints and increased projectile damage.
